A-Z PRODUCT LIST

SS SEPTIC SAFE

NP NON PHOSPHATE

BIO BIODEGRADABLE

A.T.G.R

Adhesive tape and gum remover. Used for removal of adhesive on vehicle body moulds.

NP

AIR-FRESHENERS

Long lasting room air fresheners. Fragrances available include: Lemongrass, Loo Fresh, Sandalwood & Springtime.

NP BIO

ALGAEGARD

For use in Swimming Pools Algaecide - use once a week for control of green algae and bacteria. Based on 10% quaternary ammonium compound.

BIO NP

ALL-KLEEN

A liquid dishwashing and glass washing solution for use in commercial applications in automatic machines. Will remove tea and coffee stains in the wash cycle.

BIO NP

ALPHOS

Degreasing rust remover for steel and aluminium. Contains phosphoric acid. Dilute as per label, apply, then simply rinse off.

BIO

AMBER FRESH 4 IN 1

Disinfects, Cleans, Sanitises & Deodorises. Heavy duty, ideal for bathrooms, kitchens, BBQ areas, tiles, windows etc. Lemon fragrance. Dilute as per label, apply then simply rinse off.

BIO

ANTISEPTELL

A powerful antiseptic material designed for use in hospitals, homes, sick bays vet surgeries etc. Based on pure Eucalyptus oil. Must be diluted.

BIO NP

ARMOURGLAZE

A non-toxic, non-flammable emulsion for use on vinyl surfaces. Forms a protective elastomeric coating and exhibits excellent glaze properties. Designed for use in car detailing and anywhere a vinyl surface needs to be protected and brilliant shine is desired.

NP

BACTERIELL

Toilet bowl and urinal cleaner, effectively removes filth, slime, uric acid encrustations & decomposed organic matter. Specially inhibited hydrochloric acid base. Will not affect septic systems.

NP

BARDISKS

Small deodorant blocks for urinals.

NP BIO

BARRELL BEERLINE

Beer line cleaner liquid, keeps beer-lines clean and fresh. Dilute as per label.

NP BIO

BARRELL BRAKE CLEANER

Spray on to brakes and brake lines to quickly remove grease and dirt from brakes.

NP

BARRELLGARD

Cream hand cleanser, antiseptic. Contains lanolin.

NP BIO

BARRELLGARD B

Hand cleanser as BARRELLGARD but with 'Beads' for extra grease removing power. Ideal for the mechanics workshop.

NP BIO

BARRELL GLASS SHINE

Hand beer glass cleaning liquid, fully biodegradable. Leaves glasses crystal clear.

BIO NP

BARRELL LAUNDRY POWDER

Laundry powder with optical brighteners. Commercial quality. Excellent in cold water. Suitable for Top & Front Loaders.

BIO SS

BARRIDOIL

Unique concentrate degreaser - dilute 1:30 with kerosene or diesel to make a good quality ready to use degreaser. Is far more economical than most other degreasers.

NP

BIG BLUE (QUICK BRAKE TRUCK WASH)

Especially designed to remove road grime from large vehicles. TRUCK WASH may be diluted up to 100:1 with water and then sprayed onto the vehicle. Big Blue is a milder formulation.

BIO SS NP

BIG RIG (QUICK BRAKE TRUCK WASH)

Especially designed to remove road grime from large vehicles. TRUCK WASH may be diluted up to 100:1 with water and then sprayed onto the vehicle.

BIO

BIO +

Hospital strength disinfectant & detergent.
Phenol Based.

NP

BLAZER

All purpose bathroom cleaner for mineral staining & mildew. Cleans showers, mirrors, floors and organic build-up in toilet bowls and uric acid build up in urinals.

BIO NP

CHLORELL

10% effective Sodium Hypo, excellent for instant mould removal. Major area of use is in cleaning houses, removing timber stains from brickwork.

BIO NP

CITRUS FRESH

A natural - all purpose, low foam - no suds, cleaner and deodoriser. Made from citrus peel for a strong, fresh lemon scent.

BIO NP

CLEANING ACID

An acid cleaner based on inhibited hydrochloric acid, for use on concrete trucks, ready-mix plants or anywhere metal must be protected. Can be used straight or dilute as required.

NP

CLEAN-N-GLEAM

Rust inhibiting shampoo and polish, apply from bucket or with pressure washer, then hose off, no chamois or drying needed. Removes road grime and dirt and creates a brilliant shine. Contains a silicone polish.

CRYSTEL

Black spot algae killer for swimming pools.

BIO NP

DETERANT

Liquid air freshener, disinfectant and hard surface cleaner. Available in a variety of pleasant fragrances.

NP BIO

DBC 80

Heavy duty unscented powder - cleans and degreases. Used for concrete driveways, dirty overalls, butcher shop floors, etc. Sprinkle on, brush, wait 10mins, hose off.

BIO

D.E.G DEGREASER

Better oil & grease emulsification. Greater economy (5Ltrs makes up to 55Ltrs RTU degreaser). Emulsion formed by rinse off separates readily in separation traps to prevent oils polluting the environment.

NP

DRY CHLORINE

Powered chlorine suitable for swimming pools.

NP

ELLDET B

Super-cleans walls, floors, ovens, baths, showers, tiles, pots, pans, cars, trucks, engines, aeroplanes, butcher's shops, dog kennels and more! (0.25% ammonia W/V).

BIO

ELLFOAM

Laundry liquid with optical brighteners. Suitable for Top & Front Loaders.

BIO NP SS

ELLSHINE

Cleans windows, chrome, non-streak. Spray on - wipe off. Dilute 1:10.

BIO NP SS

ELLSOFT

Fabric conditioner

BIO NP SS

ELLSTRIP

A heavy duty stripper for the removal of metalised cross-linked polishes. Rinse well when finished.

BIO

EN-BAC 60 (PORTA-LOO CHEMICAL)

A chemical preservative and deodorant for most organic materials. Greatly reduces the decomposing process of organic waste and helps liquefy and deodorise. Not for use in septic systems, suitable for chemical toilets, bush toilets and earth closets etc. Contains no Formaldehyde.

BIO NP SS

FINELL

Final Rinse Aid for dishwashers - prevents streaking on plates and glassware.

BIO NP SS

FREE UP

Penetrating Fluid Super strong, long lasting - does not evaporate. Easy to use, spray or brush onto surface. Lubricates chains, nuts and bolts. Prevents rust.

NP

GRAFFITI REMOVER

For cleaning graffiti off various surfaces.

NP

GREASE OFF

High quality metal degreaser and oil spill remover for use through steam cleaners and pressure washers. Dilute as per label.

BIO NP SS

GRILLBUSTER

Extra heavy duty oven, grill and plate cleaner. Concentrated - dilute as per label.

BIO

HFS 04

A blend of acids and detergents designed for brightening and cleaning aluminium. May be used as a dip, spray or brush-on product. Dilute as per label for greater economy. Rinse off well after aluminium has been cleaned.

NP

HOT FRY

For cleaning deep fryers. Very economical and easy to use, no residue or after taste.

BIO NP

HOUSEWASH

Specially formulated for washing down house exterior walls.

BIO NP

HYDROCHLORIC ACID

For use in swimming pools and cleaning concrete etc.

NP

INSTANT SHINE

Designed for pre-soaking silver and stainless steel cutlery prior to hand or machine washing. Restores original luster without polishing.

BIO NP

LF 2000

Powerful powder - removes stains. For commercial and domestic dishwashing machines.

BIO NP

LOO FRESH

Germicidal, long lasting air spray designed for toilet area use only. Also available on concentrate.

BIO NP

METHYLATED SPIRITS

(BULK ONLY)
An industrial grade methylated spirits.

NP

MISTO-KLEEN 4

Misto-Kleen 4 is a specially formulated solvent based compound used for removal of a variety of stains and heavy soiling on carpets.

BIO

M.P. DEGREASER QUICK BRAKE

Multi-purpose, economy degreaser. Water soluble. Dilute 1:10 for greater economy.

BIO

PAPER HAND TOWELS

16 rolls per carton. 80 meters per roll. Super strength. Suitable for caravan parks, hotels etc.

PHOSCLEAN

All purpose bathroom cleaner, cleans, disinfects and deodorises. Designed to remove mineral staining and organic build-up in toilet bowls and urinals.

BIO

PHOSPHORIC ACID

Rust converter.

BIO NP

PINK LIQUID SOAP

Premium quality pink, perfumed hand soap. For use through dispensers. This product is recommended for hotel toilets and for mechanics who suffer from dermatitis.

BIO NP SS

POOL CLARIFIER & FLOCCULANT

For sparkling clear pool water.

BIO NP

POOL STABILISER

Decreases chlorine use.

BIO NP

POOL TABLETS

Jumbo sized pool stabiliser tablets. Various sizes & quantities available. 20g, 190g & 200g tablets.

NP

PUMPS

Various styles available.

REMOVE

Removes tannin tea and coffee stains from china ware. De-stains plastics, china and stainless steel dish ware. Effective and easy to use. Industrial use only. Concentrated.

BIO NP

RUBBER & TYRE REJUVENATOR

Brush or spray onto tyres, immediate results. Absorbed into the rubber, also an excellent tar remover.

NP

SANAFOAM

Designed for the removal of fats and other soils typically encountered in the food industry. Boosted by the presence of chlorine which aids in protein removal and helps control bacteria.

BIO NP

SANITELL

Ideal for sanitising of hospital walls, floors and other non-porous surfaces. Sanitising all dairy equipment: Also ideal for udder washing. Use to sanitise any kind of food processing equipment.

BIO NP

SEPTIC FRESH

Non-toxic way to save on pump-out costs, repair, clogged leach drains & destroy odour in septic tank systems, grease traps & landfills. Odour control in ponds & lagoons.

BIO NP SS

SHIP SHAPE

Ideal for cleaning rust, oil, grease and salt water stains on aluminium, steel, timber and painted surfaces, suited particularly to trawler and all boat owners.

NP

SMITE

1001 uses; vinyl upholstery, stains, floors, walls, pre-wash for laundry, air filter elements etc. Highly concentrated.

BIO

SNOWPINE

7% Pine & Eucalyptus Oil base. Quality disinfectant/cleaner. May be used around toilet areas, bars & kitchens.

BIO NP

SOAP DISPENSERS

For dispensing liquid soap in workshop or bathroom.

SODIUM METABISULPHITE (S.M.B.S.) FOOD GRADE

Sodium metabisulphite powder has many uses but mainly used for seafood in the trawling industry.

NP

SODIUM PERBORATE (SAFETY BLEACH)

Sodium perborate imparts a gentle bleaching action to all washable fabrics.. As with hydrogen peroxide, the product can be used on all fabrics and wash-fast fabrics. Greater safety with easy care and coloured fabrics.

NP

SOLV-IT

Wide variety of applications. Ideal for kitchens and bathrooms. Sticky spots and stains. Chewing gum remover. Dissolves grease bitumen and tar on motor vehicle bodies. Dissolves glues and adhesives.

BIO NP

SPA & PIPE CLEANER

Use Spa & Pipe Cleaner to remove and prevent unhygienic build-up of grease and body fats in spa pipe systems.

BIO NP

SPARKELL

Premium Quality hand dishwashing liquid. This product is top of the range. Concentrated.

BIO NP SS

STINK FREE

Odour control 'Pink' powder is totally natural, non-toxic, crystalline mineral which effectively absorbs a wide range of odours including bacterial decomposition, wet fur, animal waste, decaying and rotting matter + more!

BIO NP SS

TAR OFF

Tar Remover

NP

TOILET CARE

Designed specially to remove organic build-up in toilet bowls and uric acid build-up on urinals.

BIO NP SS

TOILET PAPER PRODUCTS

2 ply softness with greater strength. 10x11 cm, 400 sheets/roll. 48 rolls/carton.

TRIGGER SPRAYS

Hand held trigger spray packs.
- 500ml Normal
- 1Ltr Heavy Duty

TRIPLE WHITE

Lemon scented Liquid Chlorine. May be diluted for extra economy. Great for white sheets and tablecloths.

BIO NP

VEGEWASH

Low foam or high foam washing of vegetables.

NP BIO

WIPEAWAY

Spray on - wipe off, no rinsing needed. All-purpose surface cleaner. Suitable for all washable surfaces except leather.
