

GRILL & OVEN *Buster*

BBQ's & GRILLS

Heavy Duty Degreaser

GRILL & OVEN BUSTER is recommended for:

**USE AS
SUPPLIED FOR BBQ'S
AND GRILLS**

Spray or brush directly onto the surface to be cleaned (preferably warm) for excellent results.

Rinse surface before further use.

**HEAVY DUTY
DEGREASING**

For heavily soiled grills and unpainted kitchen surfaces and particularly soiled floors;

use a dilution rate of
1: 40.

On quarry tiles and ceramic tile floors, rinse well to prevent silicate build up.

**GENERAL
DEGREASING**

For lightly soiled grills and painted kitchen surfaces;

Use at a dilution rate of
1:40 to 1:80.

For floors also use at
1:80.
