

STINK FREE

NATURAL ODOUR CONTROL PINK POWDER

100% AUSTRALIAN 100% NON TOXIC 100% NATURAL

Stink Free Eliminates & Removes odours caused by Decay, Perspiration, Carpet Mildew, Cigarette Smoke, Rodents, Pet Urine & Feces, Garbage, Fish tanks, Stinky feet, Rodents, Drains, Walls, Concrete + MORE!

Stink Free Odour Control Powder is a totally natural, non-toxic, crystalline mineral which effectively absorbs a wide range of odours including bacterial decomposition, wet fur, animal waste, decaying and rotting matter etc.

Stink Free may be sprinkled liberally in your pets litter tray and around feeding and sleeping areas, especially on carpets and blankets to remove odours from urine, feces and vomit. **Stink Free** can also be applied directly to the coat of any animal with safety. Can be used in kennels, barns, litter boxes, stables, pigpens, tack rooms, homes, bathrooms, chicken house and livestock areas. **Basically any place there are unpleasant smells.**

Stink Free is available in powder or gravel form, can be placed in a dish and left in affected area to absorb the odour or for a faster result sprinkle directly onto source.

Stink Free can be added to your aquarium to help reduce the ammonia and help lower nitrate levels making a better living environment for the fish. Will also promote healthier plant growth in tank.

Stink Free has no odour of its own, nor does it leave any scent. After treatment the room should smell fresh and clean.

Available in 4kg, 10kg & 20kg

INSTRUCTIONS FOR USE

POWDER:

Sprinkle onto affected areas.

1. Carpet (9sqm) - 680g
