

101 USES!

SMITE™

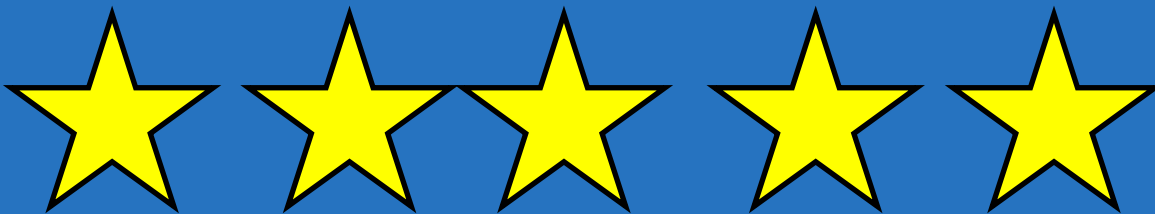

**Heavy Duty
Cleanser**

*smite has 101 uses:
vinyl upholstery, stains, floors,
walls, laundry pre-wash,
air filter elements, etc.*

SMITE may be used as supplied or diluted according to degree of soiling. It can be used in hot or cold water but the use of hot water increases its effectiveness.

DILUTION RATES:

- 1:3** Laundry & pre-wash spray and heavily soiled or greasy surfaces.
- 1:10** Upholstery spot cleaning, carpets, smoke stains on walls & ceilings, removal of printing ink.
- 1:50** Auto air-filter elements, tiles, laminex, general kitchen cleaning.
- 1:100** Washing cars & trucks, houses, floors, etc.
- 1:200** Window & glass washing, stainless steel, chrome, etc.

- BIODEGRADABLE -
